Frequently Asked Questions

Can I reserve parking for my guests?

Group parking reservations are not available.

In the summer, limited individual parking reservations are available online up to 3 days in advance. Each guest may make a parking reservation for 1 vehicle. Parking reservations are held until 11am. Parking reservations are not available during non-summer season.

Park & Pay

The majority of parking spaces in the Beach House lot are available on a first come, first served basis. Guests without parking reservations may purchase parking by the hour or for the day by noting their space number and paying at the machine upon arrival.

More Parking Tips

The Beach House parking lot is busiest on weekends and Dollar Splash Mondays - often filling to capacity. The lot is typically less busy Tuesday through Friday.

If the Beach House lot is full, alternative beach lots include Lots 8 & 9 and the lot at Will Rogers State Beach; the bike path connects these lots to the Beach House on the ocean side.

Can I have my party at the pool?

Because of the pool's popularity and limited capacity, **planning a party at the pool is not ideal** - especially on weekends.

We strongly encourage parties to utilize other site features.

Pool Reservations - for parties of 6 or fewer

Pool reservations may be made online 1 to 3 days in advance for up to 6 guests. Limited reservations are available. **Pool reservations are held until 11am.** After 11am, if a waitlist has begun, guests checking in with reservations will be added to the waitlist.

Walk-up Pool Passes

Passes go on sale daily at 9:00am. Pool passes may only be purchased for guests who are present at Guest Services. Passes generally sell out quickly on weekends and Mondays. A waitlist will be started when capacity is reached.

View our website for pool rules.
