

Call For Writers Artist Residency at the Annenberg Community Beach House

Application Deadline: Tuesday, September 4, 2012, rec'd by 5:00pm

Introduction

The City of Santa Monica, Cultural Affairs Division, seeks applications from writers living in Los Angeles County for a residency at the Annenberg Community Beach House, Santa Monica. The Artist Residency offers a large private office in the historic Marion Davies Guest House for ten weeks to complete a work in progress.

Residency Description

In celebration of Marion Davies' support of artists and to further the work of artists in all disciplines, the Division has established an Artist Residency program at the Beach House. The Residency begins Monday, November 26, 2012 and concludes Monday, February 4, 2012 for a total of ten weeks. The Residency offers an ocean front place to work – an upper floor office in the restored Guest House of the former Marion Davies estate.

The City seeks to provide an opportunity to writers who both need a place to write and are interested in sharing aspects of their work for the public's benefit. This program is best for writers who will be able to use the residency period to finish or make significant progress in their work, and are able to hold weekly office hours (11am-2pm on selected days) and monthly critiques, readings, workshops or conversations with the public. If the applicant wishes to suggest other public activities in lieu of these, proposals are welcome. Please note that public events are for an adult, rather than youth audience. The City may also require the Resident to represent the Residency to the press.

As an acknowledgement of the public benefit of the Resident to the community, an honorarium of \$1500 is offered.

The Residency is non-residential; no room/board is offered. The City will provide a lockable office with desk and chair, wireless internet access, refrigerator/microwave access, and a parking pass for the duration of the residency. No other resources, including computer, printer, phone, or other equipment will be provided.

Eligibility

The Residency is open to all writers of fiction, poetry, plays, essays, and screenplays with works in progress who reside in Los Angeles County. Applicants who have received a Beach House Residency in the past two years, or are currently arts grantees

or resident artists through another City of Santa Monica program, or are currently employed by the City of Santa Monica, are not eligible to apply. The Residency will be awarded to one writer. Writing teams are not eligible.

Selection Process

Applications will be reviewed by a jury of writers and educators. The panel will take both the quality of work and the ability of the applicant to carry out public interactions into consideration.

A complete application will include a writing sample, two letters of recommendation, an application letter, and the applicant's publishing history, if any. Lack of a publishing history will not disqualify a writer from being selected.

The City of Santa Monica may request additional information from or schedule initial interviews with selected applicants. The City also reserves the right to not select an artist for this project and recall and/or cancel the Call for Artists at any time at its sole discretion.

Notification of the selected Resident will take place in late September.

Annenberg Community Beach House

The Southern California beach occupies a unique place within the physical and cultural landscape of America, and the Annenberg Community Beach House at Santa Monica State Beach has quickly become a popular destination for those seeking a quintessential "day at the beach." Consisting of several structures at the historic site of the Marion Davies estate, the Beach House includes the historic Guest House and Pool, and the new Event House, Pool facility, and outdoor areas.

A public place henceforth, the site at 415 Pacific Coast Highway has seen an evolution from private ownership to public management. Interpretive and cultural projects at the Beach House offer a continuum connecting the past, present and future. For information and images of the site, please visit <http://annenbergbeachhouse.com>.

The Annenberg Community Beach House is made possible through a generous gift from the Annenberg Foundation at the recommendation of collector and philanthropist Wallis Annenberg, and in partnership with California State Parks and the City of Santa Monica.
